Happy Birthday, SNOBs!

November Meeting – Kveik Yeast

Brewing in the fast lane

Andrew Mitchell is going to speak on the subject of brewing with Kveik yeasts. He has brewed three beers for this meeting.

- Beer 1: Dry-hopped Cream Ale fermented with Bootleg Biology Oslo Kveik strain
- Beer 2: Robust Porter fermented with Omega Lutra Kveik strain
- Beer 3: Pale Ale fermented with Imperial Kveiking 3-strain

Interested members can receive a set of each of these beers to taste along with us. They will also receive one of the three yeast strains used.

There are still a small number of beer and yeast remaining. If you would like one, they may be picked up at Sachsenheim starting at around 6:30 PM on Monday. Contact Jay at president@beersnobs.org if you would like him to earmark one for you.

Beer No Sweat 2021

This is the time of year that we would start planning Beer No Sweat. Because it involves people crammed in a small space, we wanted to take a survey to see how many people are interested in going. Please click on the link below and let us know!

President's Krausening

It's been a good year for the club. I think we've been able to do a lot and have a lot of fun in spite of the shadow of Covid-19 hanging over us. I don't know how we'll be able to top becoming AHA national homebrew club of the year, having five fall collaborations with our own Beer Week event, and having a Fat Head's SNOBs Anniversary canned beer on the shelves of local retailers. I am however looking forward another great year.

If there is anything I missed this year it was the competitions. Those are such a big thing for our club and provide us brewers with such valuable feedback. I'm hoping that we can get something going this year with our friends from SAAZ. We will do the big brew again, but I think we'll skip or delay the chili cook-off until Covid is more under control. Of course we'll still have collaborations, style meetings and nights out. We'll keep doing the things that work for us and are fun and meaningful.

I'd like your feedback. Feel free to tell me what you'd like to see as meeting topics or your ideas for events. Tell me when you see me or send me an email with meeting ideas. I value your feedback and want to continue to strive to keep the club fun and relevant.

Cheers,

Jay
